To

Sir,

SUBJECT:- Questions to be answered at the Legislative Council- January 1949 Session.

Adverting to your letter No.4655 dated 23-12-48 forwarding copies of Questions Nos.93 and 154 on the above subject for furnishing replies thereto, I have the honour to state as follows:-

I Q.93 - Sri. M. Madiah.

a & b) Names of all the Gazetted Officers appointed from 1-1-43.

The information sought for by the Member relates not only to the Probationers and non-officials appointed to the Gazetted posts direct, but also to the officials promoted from the non-gazetted to Gazetted ranks. It may be mentioned in this connection that the number of Gazetted Officers in the State has risen from about 900 in 1943 to about 1400 on 1-7-48. In addition, a number of officers have since been appointed to the Gazetted posts in the consequential vacancies caused by the retirement and demise of numerous Gazetted Officers. Thus a reply to this question will involve the copying out of hundreds of names from a dozen Civil Lists issued from 1943 to 1948. Obviously such a laborious process is not called for when the Member can extract whatever information he needs from the published Civil Lists themselves.

c) The attention of the Member may be drawn to the Civil List corrected upto 1-7-1948 which gives particulars of gazetted posts which had not been permanently filled up on that date in each department of Government.

The information relating to, i) the other Audit Circles, ii) the

Industrial concerns under Government Management and, iii) the other clauses of the question is not available in this office.

II. Q.154- Sri. M.P.Lakshminarasimha Sastry.

The number of 'Non-Mysoreans' appointed into the Gazetted Services for the last 3 years.

The Government Orders appointing the officers to the several Gazetted posts do not specifically mention whether they are Mysoreans or Non-Mysoreans. In the absence of this information, this office is not in a position to furnish the information on all the 4 questions put by this Member.

Yours faithfully

SUBJECT:- Legislative Council Question No.93.(January 49 Session).

Adverting to your letter No.5446 C.B. dated the 10th instant asking me to furnish the information asked for by the Member, by compiling the same from the Civil Lists, I write to state that as already explained in my letter No.299/G. A. D. dated 8-1-49, the laborious process of extracting the names of more than 500 Gazetted Officers from a dozen Civil Lists from 1943 will engage the full-time services of a clerk for about 20 days. Since my office is already overworking with a limited staff, the only means of getting done this special work would be to put on this work one of the two clerks posted exclusively for the Special work of verification of the Allocation Statements relating to the revision of Scales of pay of the Subordinate Gazetted Officers on hand, which is also of a very urgent nature.

In view of the above orders of Government, the verification of gazetted allocation statements will be delayed, and the statements got compiled by the same clerk, and submitted to Government in triplicate in about a month's time.
